

RENEWABLE ENERGY EXPO

IRELAND

21-22 October 2026

RDS, Dublin

Ireland's largest all-energy exhibition for wind, solar and storage

Sponsorship Brochure 2026

MISSION & VISION

Be part of the **first ever Renewable Energy Expo** – and position your organisation at the heart of Ireland's clean energy transition.

Join us on the **21-22 October, RDS, Dublin** for the Inaugural Renewable Energy Expo Ireland 2026, bringing together **industry leaders** and business from Ireland and around the world working across wind energy, solar and storage.

Renewable energy is not only central to delivering affordable, secure and low-carbon power – it represents one of Ireland's greatest economic opportunities.

The Renewable Energy Expo Ireland will showcase companies, technologies and services that are enabling this transition and building Ireland's future energy system.

For sponsors, the Expo offers a **unique platform to achieve high impact visibility across three fast growing renewable sectors**, engage directly with decision makers and align your brand with Ireland's largest of all energy exhibition. With an exciting agenda featuring expert-led discussions, new research, practical workshops and dedicated networking, **sponsors will be positioned at the centre of the conversations shaping the market.**

Demand is already strong – the first exhibition stands and international pavilions are confirmed. **Secure your sponsorship now** and take your place alongside the organisations powering Ireland's clean energy future.
