20-21 JANUARY · CLAYTON BURLINGTON, DUBLIN

WEI Annual Conference 2027

Ireland's biggest renewable energy conference

Wind Energy Ireland's Annual Conference is the most important date in the renewable energy calendar — and your chance to put your brand in front of the people driving it.

Over two days, more than 700 leaders from renewable energy, policy and power generation gather to plan the industry's future and shape new business opportunities.

Sponsor your place at the heart of Ireland's drive for energy independence — and introduce your company to its fastest-growing energy industry, right where the decisions get made.

20-21 OCTOBER · RDS, DUBLIN

Renewable Energy Expo Ireland

The Renewable Energy Expo returns to Dublin this October — and it's your chance to put your brand in front of Ireland's fastest-growing energy sector.

Now in its second year as a full-spectrum renewables event, the Expo brings solar, storage and wind businesses from Ireland and abroad together under one roof for two days of expert panels, cutting-edge research and hands-on workshops.

Backed by Energy Storage Ireland, Solar Ireland and Wind Energy Ireland, this is more than an exhibition — it's a direct line to the decision-makers driving Ireland's transition to homegrown energy. Sponsors gain access to a broad, cross-sector audience and a front-row seat in an industry keeping energy investment right here in Ireland.
